Association Update

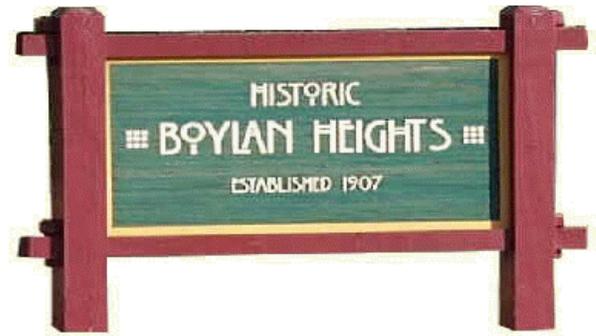

The Boylan Heights Association's annual election of officers is coming up in May. Though we typically have volunteer opportunities throughout the year, this is a chance to incorporate some new neighbors into our Association's leadership. Are you passionate about the neighborhood's future? Are you interested in working on and helping to solve issues in and around the neighborhood? We are always looking for fresh faces (whether new to the neighborhood or long time residents) to bring some new energy and ideas to the board of directors.

Candidates are welcome for all positions: President, Vice President, Secretary, and Treasurer. We have some returning officers running for re-election (or running for a different office) but we are currently not aware of any candidates for Secretary. The Secretary keeps the minutes at all Association meetings and along with other officers attends our regular meetings twice a month (one for the board, one for all members). Current members of the Association (defined by the by-laws as individuals who are residents, employees, or owners of homes, property, or businesses within the Boylan Heights neighborhood) are eligible to be elected. The term of service is one year, but officers can be reelected to serve more than one year.

We'll discuss these positions further in this month's meeting but feel free to reach out to me if you have questions.

I hope all of you are enjoying the warmer weather and all the spring activities in and around the neighborhood.

Thanks,
Steve Bryan
