

## Boylan Heights Progressive Dinner

by Lucinda Cook

Sunday evening, March 9, thirty-four members of our Boylan Heights community joined together for good food and conversation at the annual progressive dinner. At 6:30 p.m., the evening began with convivial conversation, finger foods, and drinks at the home of Kris Troost, 805 W. South St. At 8:00 p.m., everyone divided into five groups for the main course at the homes of Donna Futoransky, Ken Zogry, Elke and Victor Harabin, Lynn and Mark Senior, and Karen Polk and Mark Jolly. Main dishes included meat as well as vegetarian options so that there was something for all palates. At 9:00 p.m., the entire group came back together for dessert at the home of Don Davis and Lyman Collins, 603 S. Boylan Ave. It was a beautiful evening to walk around the neighborhood and a great group of people to spend the evening with. This event is another example of why we all love Boylan Heights. Hope to see those of you next year who enjoy sharing your home, cooking or just being with your neighbors in an intimate, social setting.

### Geek Needed!

We are looking for a geek who is willing to take on the technical admin job. You won't be responsible for content, user admin, comment approval, etc. (see above). Ideally, you are familiar with WordPress or another WCMS, perhaps even deeper web hosting/programming experience. Our current Admin, Tom Benninger has moved away, but is thankfully still doing the admin job for now. Since we separate this from the other content-related tasks, this should be a technically complex, but not very time-consuming task.

If you are interested in helping as author, approver or tech admin, please contact [sandrogisler@sandrogisler.com](mailto:sandrogisler@sandrogisler.com) for further information.
